Fair-well! Until next year

The amazing community members of Antler Lake did it again: this year's Fair was a great success.

Our appreciation goes out to all who came to support, to the musicians and vendors who kept us all fed and entertained, and especially to the volunteers who made it all possible!

We'll see you next year!

Golden Forest

Looking up from the camp
at the tree-clad mountain,
sun golding the pine.

Morning rises with its lamp
and lights a path not taken,
glorious by design.

President's message

Hello Neighbours!

What a spectacular summer it's been! The County Fair was an absolute triumph—thanks to the incredible energy, creativity, and community spirit each of you brought to the event. Laughter echoed across the fairgrounds and reminded us why this league is the heartbeat of our county. If you missed it, don't worry—we're already getting ready for next year's celebration, and trust me, you'll want a front-row seat!

Meanwhile, the Garden Club is still in full bloom—literally and figuratively! With the seed swap and of course the garden stand.

The board wants to hear from you! We welcome all suggestions, whether it's a new event, classes at the hall or maybe a weekly Coffee club.

This is more than just a league—it's a movement. A place where ideas grow, friendships flourish, and every member adds a unique spark. If you've been thinking about getting involved, now's the time. Join a committee, volunteer at an event, or simply come say hello. There's room for everyone, and your voice matters.

Let's keep the momentum going. Let's keep building, blooming, and celebrating together.

Nick Stovius
